RESEARCH FOR RESURGENCE FOUNDATION

Covering New Heights and Seeking Paradigm Shift

RESEARCH FOR RESURGENCE FOUNDATION

Research For Resurgence Foundation (RFRF) is an integrated research institute, a network of individuals, institutions, industries, innovators & influentials. It is a multi domain research platform, focused on research work with Quality orientation aimed at social application, industrial inputs and National interest. Foundation has functional dimensions to strengthen & synchronize Research, Researchers, Resources and Reach.

Foundation has been inspired by 'Bharatiya Shikshan Mandal', organization devoted for integrated growth and holistic adaptability of 'Knowledge' through education since 1969. **RFRF is registered under Bombay Public Trust Act 1950, E-3270 (Nagpur)** and recognized by several bodies for financial support.

VISION

To realize the potential of Bharat as a strong contributor to global scientific, technological and academic research in all fields of knowledge bringing well-being of humans and protection of the environment by achieving synergy of efforts.

MISSION

To evolve into an advanced research centre of global standards as a platform for scientific community and traditional researchers in all fields of knowledge with an objective to bring a paradigm shift in research methodologies and philosophy to achieve resurgence.

RESEARCH FOR RESURGENCE FOUNDATION AT A GLANCE

Research	Researchers	Resources	Reach
Basic and Applied	Training Development	Knowledge Resource Center	Technology Park
Mission Mode Projects	Fellowships	Fund Generation & Management	Publication
Pilot Demonstrations	IPR Support	Industrial Networking	Industry Interaction
Documentation of Grass-Root Innovations	Critical Mass of Researchers	Seamless Pooling and Sharing	Media Interaction

RFRF works with IITs, IIMs, Central and State Universities, National Laboratories, AICTE, UGC, Consortium for Educational Communication.

SUDARSHAN TAPOVAN

A tree in FORTITUDE at site symbolising spread of knowledge and firm roots to the soil

A beautiful upcoming campus spread over 106 acres with multiple Research Centres in various fields, Collegium facility, Agricultural Park and Technology Park

“ Besides being sustainable, campus will be vibrant with more than 5000 researchers any time on campus. Most modern amenities around.”

A State-of-Art and dynamically progressive global research center with most modern facilities for research activities encompassing fundamental science laboratories, engineering laboratories, computational facilities, industry interaction center, IPR center, knowledge resource center etc.

TRADITIONAL VALUES, CONTEMPORARY QUALITY, ABUNDANCE

- Tradition of Bharat of knowledge generation, as was exhibited by Universities such as Takshashila
- Most advanced research which will compete with world class Universities/Institutions
- Abundance in research facilities
- A connect to research world

RRF Main Campus Katol Road, Nagpur

CALL FOR PURPOSEFUL PARTICIPATION

Heartfelt Gratitude for your interest in research. We are sure you have zeal to enjoy 'togetherness' in the mission of resurgence. Please find many formal and informal ways to achieve the connect.

You Can...

- Become Academic Associate by entering MoU
- Enter into active consortium
- Participate in Mission Mode Projects, Surveys and Policy Support Projects
- Utilize inland secure Data Center Facility and e-learning platform developed by our KRC
- Co-hosting International Conference, Theme conference, Pre-conference, Research Methodology Workshops
- Curriculum Designing Workshop and other events
- Having Industry – RFRF – University Interface center at your campus
- Funding and sponsoring infrastructure, human and technical support for RFRF campus and study centers
- Support and incubate ideas of young researchers in the priority domains identified by team RFRF
